Brownsville, TX 78520

Greetings,

At Friendship of Women, Inc., we stand on the front lines every day, helping survivors of family violence and sexual assault reclaim their safety, dignity, and hope. In the first five months of 2025 alone, we supported 605 survivors—nearly half of them children—and responded to more than 5,291 crisis hotline calls. But as the need for our services grows, our ability to meet that need is being tested like never before.

With shelter capacity stretched to its limit, in 2024, 215 individuals in urgent crisis were unable to receive the help they desperately needed. And now, with key funding sources at risk and federal and statewide budget cuts threatening victim service programs, the gap between what we can do and what must be done continues to widen.

This is where your support becomes more than generous—it becomes essential.

On Saturday, October 25, 2025, we invite you to stand with us as a sponsor of Witches, Ghouls & Brews—our annual Halloween-themed fundraiser that brings together community, creativity, and cause. It's a night of haunting fun and heartfelt impact, where every dollar raised helps ensure that no one has to face violence or its aftermath alone.

Your sponsorship will directly support emergency shelter, counseling, legal advocacy, and prevention efforts—services that are not only life-changing, but life-saving. In return, we'll highlight your business or organization as a true community champion, with visibility before, during, and after the event, along with VIP perks and recognition opportunities.

The deadline to confirm your sponsorship is September 30, 2025, and we hope you'll join us in rising to meet this moment.

The need is growing. The resources are shrinking. But with your help, our resolve can remain unshaken. Let's turn a night of fright into a future of safety—for everyone.
